

BUSINESS ANALYST

Halifax, Nova Scotia (Remote/Hybrid)
Employment Term: Full Time
Minimum Experience: Mid-Level

WHAT WE OFFER

At League Data, we pride ourselves on being an engaged, innovative, team-oriented company that drives results through collaboration and leadership at every level. We offer a flexible work environment that includes both remote and hybrid work options. Our team enjoys modern amenities such as an onsite gym and parking when working from the office, along with professional development opportunities, fun team get-togethers throughout the year, and a competitive salary and benefits.

As part of the Canadian credit union system, League Data is at the forefront of community-based financial services that give back to our members and the communities of which we are a part. Working at League Data is more than just working on digital banking technology – it's an opportunity to serve your community through unique challenges that will help you grow and make a positive financial difference in the lives of our members.

WHAT WE DO

League Data is the Chief Information Officer (CIO) for the Atlantic Credit Union System, providing enterprise information technology services and support to credit unions across Nova Scotia, New Brunswick, Newfoundland and Labrador, and Prince Edward Island. Our focus is to provide fully integrated technology solutions that deliver an exceptional credit union member experience while optimizing administration and operational costs.
